

# CHIP & LAVAUGHN HULL

## EVANGELIZING YOUTH IN CORRECTIONS

April - June 2023 Report

*They are new every morning:  
great is thy faithfulness.*

Lamentations 3:23

### Juvenile Prison Nampa

This facility is slow to re-open to its pre-covid state. However, the access we have is a blessing and recently four young men received Christ as their Savior! I'm thankful that God is not limited as we are and continues to impact this young generation.

LaVaughn and I are currently counseling with three girls and are seeing progress as they want to seek after God. Two have testimonies of salvation while one does not. Please pray for her salvation.

### Ada County Juvenile Detention

The weekly services continue to be well attended. The teens held in this short-term facility are interested in hearing the Word of God and participate well by asking questions regarding the message. Several are looking at being incarcerated until their eighteenth birthday. It is a constant reminder to them when holiday's come and go, that their choices bring consequences they wish could be reversed.

Since our last letter two teens have made professions of faith in Christ! What an amazing God we serve!

### Juvenile Probation

This outreach opportunity has brought forth fruit since I began helping in this classroom. The young people working to earn their GED has been inspiring since many of them want this for themselves as family offer little to no support. It often amazes them that I would volunteer to help them. It has brought open doors to share the Bible and answer questions they have about scripture.

### Search for more open doors

We are always alert for more opportunity to work with the teens outside the facilities. The hurting young people are all around us. Often, we miss out because an opportunity is unnoticed. Please pray with us as we "look on the fields" John 4:35.

### Thank you!

LaVaughn and I are grateful to be a part of your mission's family and know that you are praying for us. Please know that you are making a difference in the life of teens and ours as well. Have a blessed day!
