## EVANGELIZING YOUTH IN CORRECTIONS

October - December 2023 Report

### Juvenile Prison Nampa

*Only fear the LORD, and serve him in truth with all your heart: for consider how great things he hath done for you.* 1 Samuel 12:24

Recently, we have been able to hold services every Sunday. We can minister to a different pod of teens each week. This has been a welcome change as we were only allowed one pod per month. This has made a positive impact on the teens in this facility.

LaVaughn and I continue to counsel one girl weekly and continue to work with her regarding the future on the outside. She is back and forth about things she wants to do and how she envisions her life. Please pray for her as the influence of others has an impact in her decisions.

### Ada County Juvenile Detention

This facility continues to be a blessing and my relationship with the staff continues to grow. You can see the hand of God working inside this facility as staff is open to talking about the Lord.

The services are well attended by the teens, and I am excited to see them every Monday evening.

Since our last letter five teens have made a profession of faith in Christ!

### Juvenile Probation

I have been working diligently to build my relationship with the staff. With any agency, relationships are the substance for stability and future work in the Lord. They are accepting of me and the work I do with the teens. However, there is much work to be done and gaining their trust is imperative. Their wall is softening as they observe and interact with me. The teacher I work under has been a big help in this area as she says positive things about my work with the teens.

### Search for more open doors

Please pray as a possible opportunity to expand our ministry. This could put us in contact with teens in other cities and towns in Idaho. It is in the Lord's hands, and we will trust Him. I will report on this in a future letter.

### Thank you!

LaVaughn and I wanted to thank you for the generous Christmas offerings. We are humbled to be a part of your missions' family. We hope all of you have a great new year!
